Thank you to all our members and guests who completed the questionnaire at our May 17th dance! We have reviewed all the answers and comments. We will offer the questionnaire again this Saturday, May 31st, to the few who did not complete it on May 17th.

There was a very clear decision by you to continue offering our dances on Saturdays and not on any of the other six days of the week.

Our Club has been running dances for over 60 years on a biweekly basis. We continue to negotiate a one-year contract with community halls and will sign a one-year contract with Varsity Community Association from September 2025 to August 2026.

We must prebook our dates, and have little option to pick and choose without taking big risks. Another facility, Vecova, is closing at the end of June, and the tenants are looking to book at Varsity.

Scheduling our dances every second Saturday makes it easy to remember, and we have the website, Facebook page and the business card/calendar to keep you up to date. You can also attend dances offered by other groups on our off Saturdays.

We are very appreciative that Kensington Legion works with us by holding their dances on the alternate Saturdays. Kudos!

Many other organisations have permanent facilities and can arrange their dances on a month-to-month basis. Our contract locks us in as a long-term tenant with preselected dates.

Keep an eye out for another questionnaire over the summer. This time we will be asking for your favourite songs and artists' names. We want to keep you dancing to your favourite tunes!

We still need some help putting the tables and chairs away at the end of the dance. Even a little help goes a long way!
